Following the Spirit of Guidance, her life rearranged itself to be able to live with a herd of horses, sent by Murshid, now known as The Herd of Light.

For the past 7 years, Widad and the Herd of Light have been offering Weekly Animal and Nature Assisted Awakening Gatherings via zoom, with kindreds from around the world tuning in and co-creating a sacred field of Alchemy. During these weekly gatherings, transmissions flow through from the Heart of Nature Consciousness, infused with frequencies intended to catalyze the awakening of the Human Consciousness.
